Dear ISAR State Chapter Chairperson & Secretary,

Welcome to the ISAR annual conference to be held in Mumbai 1st to 3rd March 2019. The conference banquet will be held on 2.3.2019.

We would like each chapter to record and send us a short performance song/dance for 3 min.

It should be a group performance with 2 or more performers.

There will be a **preliminary elimination round** after you send the email video to ISAR. The 6 semifinalists will perform at the ISAR Annual conference.

There will be prizes for the best performance.

Instructions how to shoot the video

- 1) It has to be a group performance of two or more people.
- 2) The video has to be recorded horizontally (& not vertically)
- 3) Lighting has to be adequate for it to be seen clearly. Volume of music should be loud.
- 4) The length of the video clip has to be 3 minutes or less.
