INVITATION

From the President's Desk

Dear Colleagues,

As the President of ISAR, It gives me immense pleasure in inviting you all for the 17th National Congress of Indian Society of Assisted Reproduction to be held in Raipur. As a policy statement in the year 2010, I had announced that we will take all possible measures to decentralize care in the field of Assisted Reproduction and make advancements known to all possible practicing Gynaecologists. As Fertility and Reproductive Medicine issues are becoming more and more important, It is essential to reach out to as many people as possible. Formation of state chapters and conducting such a big national conference in Raipur is a step towards making that dream a reality. I hope all of you attend this conference in huge numbers and make it as successful as the conferences in the past so that we can fulfill our dream of outreaching to all.

From the Organizing Committee

Greetings on behalf of Chhattisgarh Chapter of Indian Society of Assisted Reproduction.

On behalf of the organizing committee of the 17th National Conference of ISAR, we take immense pleasure to announce and invite you to Raipur, the Capital of Chhattisgarh, India from 1st to 4th March 2012.

Raipur city, the hub of Chhattisgarh, well known as the "Dhan ka Katora (Rice bowl of India)" is known for its rich harvest, cultural & historical heritage. It is one among the rich cities known for iron and steel market, a booming business destination, being well connected to the major metropolitan cities of India. There are so many tourist attraction points in and around Chhattisgarh state which you will be happy to explore and enjoy.

The advancements both on the scientific as well as clinical fronts of infertility continue to expand rapidly. The theme of our conference is towards advances in ART & Endoscopy along with Medico legal issues in ART. This conference has been one of the most important gatherings for medical professional in the field of reproductive medicine. It aims to provide updates on the latest development in fertility treatment especially on its safety issues, way of improving its success. We promise you an academic feast by well known International and national speakers across the globe.

There will be ample opportunity to interact with the expert faculty along with a colorful entertainment programme and a lavish banquet. We cordially invite all of you to join us for this event. We are eagerly waiting to welcome.
