Invitation

WELCOME TO YUVA ISAR - 2023

Dear colleagues and friends,

Welcome to the YUVA ISAR 2023 Conference on Assisted Reproduction, hosted by the Kerala Chapter of the Indian Society of Assisted Reproduction (ISAR), taking place on 15th, 16th, and 17th September 2023 in the beautiful city of Kochi, Kerala. Our conference theme this year is **"Navigating the Future of ART: Innovation, Ethics, and Beyond,"** and we have curated an exciting program that explores the latest advancements in assisted reproduction, with a focus on ethical considerations and the impact of technology on the future of our field.

We are delighted to gather at the picturesque Hotel Le Meridien Kochi, situated in the heart of the city and offering easy access to Kochi's local attractions and natural beauty, including the backwaters, beaches, Fort Kochi, and the famous Chinese fishing nets. We encourage you to not only engage in the enriching conference sessions but also take the opportunity to immerse yourself in the unique culture and captivating sights and sounds of Kerala.

As the name "YUVA" suggests, our conference promotes inclusivity and collaboration among specialists of all ages and backgrounds in the field of assisted reproduction. We warmly welcome both experienced veterans and young, dynamic professionals, recognizing that diverse perspectives and experiences drive innovation and progress.

On behalf of the organizing committee, we invite you to join us for what promises to be a stimulating and inspiring event. We look forward to welcoming you to Kochi and the YUVA ISAR 2023 Conference on Assisted Reproduction.

Best regards,

Team YUVA ISAR 2023.
