INVITATION

Dear Friends and Colleagues,

I would like to welcome you all to the YUVA ISAR conference being held at Chennai between 27th – 29th July 2018.

Indian Society for Assisted Reproduction is a pioneering and leading organization of infertility specialists in the country. Our 3000 members are at the cutting edge of technology in the field of ART and offer the best and latest techniques in the field of infertility, to the patients.

This field is very dynamic and there are constantly new and exciting innovations taking place.

The YUVA ISAR is one of the major conferences of ISAR which gives a platform to young and dynamic infertility specialists as well as many seniors to share their views and ideas. International experts, as well as the leading lights of ART across India, will be faculty at this conference.

I congratulate the team YUVA ISAR 2018 especially Dr. Kamala Selvaraj and Dr. N. Sanjeeva Reddy for the hard work and efforts taken to put together this fantastic academic and fellowship event.

Dr. Rishma Dhillon Pai

INVITATION

Dear Friends,

The Tamilnadu And Pondicherry Chapter of ISAR is organizing the “YUVAISAR 2018” conference from 27th to 29th July at Chennai. Chennai is known for its traditional culture and well known all over the world in the field of Medicine particularly Obstetrics and Gynecology by innovations made by doyens like Prof.AL Mudaliar and Prof.Krishna Menon.

Chennai one of the four metropolitan cities in India has wide connectivity by Rail and Air and you can reach the city in no time and accommodation is not a problem from Seven-star hotels to Budget hotels very nearer to the venue.

The venue is the “Feathers - A Radha Hotel”, Manapakkam, Chennai located on the main Bangalore highway 10 km from the Airport, This luxury, five-star hotel accommodates a sophisticated 9,000 square foot ballroom besides other rooms adding up to a grand total of 22,000 square feet for the event both for the conference and trade exhibition.

International and National stalwarts in the field of infertility and Embryology will share their knowledge and experience. Unique feature of this conference is five workshops on 27th July 2018 at Sri Ramachandra Medical College and Research Institute dealing with Basic ART for the beginners, Advanced ART for the people who are already practicing ART, all aspects of Embryology for the Embryologists to freshen up their knowledge, Ultrasound in Infertility for both Infertility specialists and Radiologists and Male Infertility(Andrology) for people practicing Andrology.

The workshop will be followed by the conference, the scientific programme will cover all aspects of present advancements to future developments. The faculty both National and International were carefully chosen with expertise in the particular topic. It is going to be an academic feast.

The organizing committee is eager to make the “YUVAISAR 2018” a memorable occasion for you and your family to look forward to.

We invite you, your friends and colleagues to block dates for this event at the earliest and make this conference a memorable on both for the delegates and to the organizing committee.
