EMBRYOLOGY ISAR 2016

**BEST ART OUTCOME - TEAM WORK
EMBRYOLOGISTS & CLINICIANS**

Date: 5th to 7th August, 2016

Workshop Venue: Akanksha Hospital & Research Institute
Lambhvel Road, Anand, Gujarat

Conference Venue: Madhubhan Resort & Spa.
Anand-sojitra Road, Vallabh Vidyanagar, Gujarat

A HUMBLE APPEAL

Dear Delegates and faculties,

An embryologist plays a critical role in helping patients conceive.

The work of the embryologist can be just as important as those of the infertility specialist when they are treating a patient. Embryologists often work to diagnose and treat infertility throughout various stages in the process.

Embryologists are also highly involved in the critical steps in both embryo preparation before implantation and creating the right clinical environment. The overall outcome of an IVF cycle is greatly impacted by the skill and work of the embryologist. Embryologists do their work with a great sense of pride and with high attention.

Anand is the administrative centre of Anand District in the state of Gujarat, India. It is part of the region known as Charotar, consisting of Anand and Kheda Districts.

Anand is known as the Milk Capital of India. It became famous for Amul dairy and its milk revolution. Also other famous educational hub is Vallabh Vidhyanagar, an educational suburb of Anand which is home for around 10,000 students from all over the India.

Lying on the itinerary of Western Railway, the city is situated between Vadodara and Ahmedabad. The distance between Anand Railway Station to Conference Venue is only 5 km.

The total straight line distance between Ahmedabad Airport and Anand is approximate 85 KM (kilometers). Distance between Vadodara Airport To Anand is approximate 48 KM.

“God is the master and creator of the Universe. Sometimes he just gets a little help from your Embryologist”

ISAR Executive Committee

Dr. Narendra Malhotra
President

Dr. Virendra Shah
Chairman of Embryology

Dr. Hrishikesh Pai
IMMI. Past President

Dr. Prakash Trivedi
Hon. Secretary General

Dr. Kanthi Bansal
Hon. Joint Secretary

Dr. Duru Shah
President Elect

Dr. Rishma Pai
Vice President

Dr. Jaideep Malhotra
Second Vice President

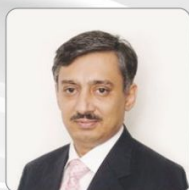

Organizing Committee

Dr. C. B. Nagori
Chair Person

Dr. Nayana H. Patel
Co- Chair Person

Dr. Manish Banker
Conference Coordinator

Dr. R. G. Patel
Treasurer

Organizing Secretaries

Harsha Bhadarka

Dr. Dharmesh Kapadia

Dr. Sudesh Kamat

Dr. Tushar Shah

Dr. Kanthi Bansal

GCISAR COMMITTEE

Dr. C.B.Nagori
President

Dr. Tushar Shah
Hon. Secretary

Dr. Nayana Patel
IMMI Past President

Dr. Kanthi Bansal
Vice President

Dr. R. G. Patel
Hon. Treasurer

Dr. Manish Banker
Sr. Invitee

Dr. Jitu Prajapati
Hon. Jt. Secretary

Dr. Nimesh Shelat
Hon. Joint Treasurer

Proposed International Faculties

Dr. Suresh Kattera
Singapore

Mr. Javier Herrero
Spain

Kalliopi Loutradi
UK

Many more...

Registration Fees:

Conference	Workshops
Upto 30th April 5000 INR	1) Fine Tuning Embryology Procedures 7000 INR
1st May onwards 6000 INR	2) Vitrification 10,000 INR
	3) PGS & PGD 10,000 INR
	4) Andrology 4,000 INR

Hotel Accommodation

Sr. No.	Name of Hotel	Location	Approx distance from Anand Railway Station	Approx distance from Conference Venue	Contact No.
1	Madhubhan Resort & Spa	Anand-Sojitara Road, Vallabh Vidyanagar	5.0 km	0.0 km	(02692) 239 268
2	La Casa Inn	Nr. Ganesh Crossing, Anand	1.5 km	4.0 km	(02692) 264 801
3	Hotel Laksh Residency	Opposite Town Hall, 2nd Floor, Anand	2.0 km	2.5 km	(02692) 267 897
4	Neejanand Resort	Anand-Borsad Road, Nr Andharia Chakla	9.0 km	7.0 km	(02692) 656 810
5	The Grand Hotel	Anand Sojitra Road, opp. Uma Bhavan	5.0 km	2.0 km	(02692) 261 216
6	Boulevard 9 Luxury Resort & Spa	Pij Cross Road, National Highway- 8, Nadiad	30 km	35 km	(0268) 253 3000
7	Hotel Rama Residency	3rd Floor, Shree Ram Arcade, Gopal Cinema, Station Road, Anand	1.0 km	4.0 km	(02692) 266 446

Workshops

- 1) Fine tuning Embryology procedures. – Hands on “Embryo Transfer Techniques”
- 2) Vitrification – Step towards 100% Embryo survival.- Hands on Vitrification & Thawing
- 3) PGS & PGD – Present & Future. Live Demo. of Embryo biopsy.
- 4) Andrology advances. Live Demo of Semen preparation Techniques & Semen freezing.

Scientific Topics for Conference

- Basic oocyte structure, various types of oocyte morphology & its role in development of embryos
- IVF & ICSI – How to optimize the fertilization process?
- Embryo grading - How to select the best embryo for transfer?
- Embryo transfer - Embryologist perspective
- Vitrification – Towards 100% post thaw survival
- Key note Address- Current status and future prospects of PGS & PGD.
- Embryo culture system-What is new?
- Oocyte Banking & Ovarian tissue transplantation
- Newer technologies in IVF lab- – Cost v/s Effectiveness (Embryoscope, IMSI, Laser).
- Non invasive markers for oocyte & embryo selection
- Oocyte activation & Mitochondrial Transfer
- Gamet Development from stem cells- Where are we standing?
- Semen analysis WHO criteria , 5th edition
- Management of sperms in special conditions
 - TESE/PESA/Test. Biopsy sperms, HIV or HbsAg infection, Retrograde ejaculation
- DNA fragmentation of Sperm, Various sperm abnormalities and their developmental potential
- Routine QA-QC of IVF lab
- Structural aspect of Embryology lab
- Documentation & Data management in Embryology lab
- Basic clinical knowledge required for every embryologist
- Preparing and publishing a scientific study
- Minimum standards required for embryology lab and practicing embryologists

Video:

- Embryo Biopsy procedure
- Various oocyte and sperm morphology

Panel discussion:

- Trouble shooting in IVF lab
- Controversies in Embryology Lab
- IVF Failure- Who is responsible? How? Clinicians v/s Embryologists

For Scientific Inquiry Please contact

(1) Dr. Dharmesh Kapadia – 09879030295 (2) Harsha Bhadarka - 09727416492

For General Inquiry Please Contact

Mr. Hiren Patel – 070690 53854
